

Fight The Bite

Protect yourself. . . your home. . . & community

- **Avoid mosquitoes** especially between dusk and dawn.
- **Use mosquito repellent** with DEET according to the label.
- Wear long-sleeved, long-legged clothing.

Reduce the source

- Eliminate standing water in your yard.
- Remove containers that collect water.
- Screen your windows and doors.
- Check for old tires, cans, pet dishes, clogged gutters, ditches, and garbage areas.

- ✓ Find **Health Info** and county health department numbers under Health Department in the BellSouth White Pages.
- ✓ Contact your local public works director about specific mosquito control problems.
