

**Professional Licensure
Continuing Education Courses Approved & Denied - Occupational Therapist
2024-2026 Licensure Period**

Revised: March 10, 2026 (9:53 AM)

This list will be updated the last day of each month. If a course is not listed, you will have to call the company sponsoring the course or you may check the website again at the end of each month.

If you are interested in having a course approved, please visit our website at www.HealthyMS.com. Once the website loads, click Regulations & Licensure, then Professional Licensure and Certification, then Continuing Education and then click Continuing Education Course Approval Requirements and follow the directions.

Per the Regulations Governing Licensure for OT/OTA, Rule 8.7.4, the following continuing education hours may be accrued from the following sources, when the content of the programs relates to the profession of occupational therapy. Please refer to Rule 8.7.4, pages 11-12 of the regulations.

1. Approved by the MSOTA (Mississippi Occupational Therapy Association).
2. Approved by the AOTA (American Occupational Therapy Association).
3. Approved by the AMA (American Medical Association).
4. Approved by the AOTA, AMA, APTA & ASHA.
5. Approved by accredited universities or colleges.
6. Approved by a licensure authority of any jurisdiction in the United States for OT.
7. Approved by the APTA (American Physical Therapy Association).
8. Approved by the ASHA (American Speech & Hearing Association).

* The courses are listed by the course provider*
